present

GETTING UNDER THE SKIN: HOW TO SELECT PRODUCTS FOR ATOPIC DERMATITIS, DRY SKIN, CONTACT DERMATITIS, AND PRICKLY HEAT

Presenter: Sarah Edwards, PharmD

PGY-2 Pharmacotherapy Resident

University of the Incarnate Word Feik School of Pharmacy; San Antonio, TX

Upon completion of this activity, pharmacists will be able to:

1. Recall the pathophysiology, clinical presentation, and causes of atopic dermatitis, dry skin, contact dermatitis, and prickly heat.
2. Identify the main ingredients in moisturizers that are used to treat atopic dermatitis, dry skin, contact dermatitis, or prickly heat.
3. Justify choosing a specific type of moisturizer to treat atopic dermatitis, dry skin, contact dermatitis, or prickly heat.
4. Provided a patient case, select the appropriate nonpharmacologic treatment for atopic dermatitis, dry skin, contact dermatitis, or prickly heat.
5. Distinguish if a patient needs a medical referral based on their reported signs and symptoms.

Upon completion of this activity, pharmacy technicians will be able to:

1. Identify at least one cause of atopic dermatitis and one cause of contact dermatitis.
2. List two products that can be used to treat prickly heat.
3. Describe why products to treat atopic dermatitis, dry skin, or contact dermatitis should not contain fragrances.
4. Given a patient case, give examples of questions to ask a patient that would help a pharmacist make a treatment decision for a skin condition

Date/Time: Wednesday, September 28, 2022 from 7:00-8:00pm (Social/dinner starts at 6:30pm)

Location: Feik School of Pharmacy

Room: P3 Classroom (533)

CPE Credit: 1.0 contact hours (UANs: 0445-9999-22-018-L01-P; 0445-9999-22-018-L01-T)

Activity Type: Application-based activity

The University of the Incarnate Word Feik School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is designed for pharmacists and pharmacy technicians to gain knowledge related to skin conditions. There are no fees for this application-based CPE program. The pharmacist or pharmacy technician will only receive credit for programs after receiving a 70% on a post-test and an activity evaluation form is completed and submitted through FSOP's Learning Express CE website (<https://uiwfsop.learningexpressce.com/>). For detailed instructions on how to use the site, see the link at <https://pharmacy.uiw.edu/subsite/pharmacy/continuing-pharmacy-education/index.html>. Participants will have six weeks to complete the post-test and evaluation form. The deadline to submit the post-test and evaluation form to obtain CE credit is November 11, 2022.
