Presents

SODIUM OXYBATE FOR ALCOHOL USE DISORDER

Presenter: Capt Adam Golos, PharmD
PGY-1 Pharmacotherapy Resident
Brooke Army Medical Center; San Antonio, TX

Upon completion of this activity, pharmacists will be able to:

1. Review the current standard of care for alcohol use disorder
2. Describe sodium oxybate's mechanism of action
3. Evaluate the safety and efficacy of sodium oxybate for alcohol use disorder in current literature
4. Determine sodium oxybate's place in therapy for the treatment of alcohol use disorder

Upon completion of this activity, pharmacy technicians will be able to:

1. List the FDA approved medications for the treatment of alcohol use disorder
2. Recognize which receptor sodium oxybate exerts its effects through
3. Understand the potential risks associated with using sodium oxybate

Date/Time: Friday, March 10, 2023 from 2:00-3:00 PM
Location: Live or Online Via Microsoft Teams
Room: FSOP 533 or Click to [Join via Microsoft Teams](#)
CPE Credit: 1.0 contact hours (UAN: 0445-0000-23-006-L01-P; 0445-0000-23-006-L01-T)
Activity Type: Application-based activity
Target Audience: Pharmacists and Pharmacy Technicians
Fees: No fees; activity is free-of-charge
RSVP: No RSVP required

System Requirements: To access virtual programs, ensure your computer meets the following:

Processor: Minimum 1.1 GHz or faster, two core

Storage: 3.0 GB of available disk space

The University of the Incarnate Word Feik School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is designed for pharmacists and pharmacy technicians to gain knowledge related to sodium oxybate and alcohol use disorder. There are no fees for this application-based CPE program. The pharmacist or pharmacy technician will only receive credit for programs after receiving a 70% on a post-test and an activity evaluation form is completed and submitted through FSOP's Learning Express CE website (<https://uiwfsof.learningexpressce.com/>). For detailed instructions on how to use the site, see the link at www.uiw.edu/pharmacy/alumni/cpe.html. Participants will have six weeks to complete the post-test and evaluation form. The deadline to submit the post-test and evaluation form to obtain CE credit is April 21, 2023.
