The University of the Incarnate Word Feik School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is designed for pharmacists and pharmacy technicians to gain knowledge related the current opioid epidemic. There are no fees for this knowledge-based CPE program. The pharmacist or pharmacy technician will only receive credit for programs after receiving a 70% on a post-test and an evaluation form is completed and submitted. The entire session must be attended to receive credit. No partial credit will be given. Certificates will not be mailed, but contact hours will be uploaded to the My CPE Monitor 4-6 weeks after the program. A valid NABP# and birthdate must be supplied at registration for credits to be recorded.
