Activity Type: Knowledge-based activity

The University of the Incarnate Word Feik School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is designed for pharmacists and pharmacy technicians to gain knowledge related to the use of SGLT2 inhibitors in heart failure. There are no fees for this knowledge-based CPE program. The pharmacist or pharmacy technician will only receive credit for programs after receiving a 70% on a post-test and an activity evaluation form is completed and submitted through FSOP's Learning Express CE website (https://uiwfsop.learningexpressce.com/). For detailed instructions on how to use the site, see the link at https://pharmacy.uiw.edu/subsite/pharmacy/continuing-pharmacy-education/index.html. Participants will have six weeks to complete the post-test and evaluation form. The deadline to submit the post-test and evaluation form to obtain CE credit is December 30, 2020.
