University of the Incarnate Word Feik School of Pharmacy; San Antonio, TX

**Viana Salinas and Jasmine Walia**

PharmD Candidates, Class of 2023

University of the Incarnate Word Feik School of Pharmacy; San Antonio, TX

**Upon completion of this activity, pharmacists will be able to:**

1. Analyze the relationship between receptor binding affinities and the adverse effect profiles of antipsychotics
2. Outline the most prevalent side effects and their clinical treatments regarding antipsychotic usage with special emphasis on movement disorders
3. Demonstrate how to conduct the Abnormal Involuntary Movement Scale (AIMS)
4. Compare the advantages and disadvantages of antipsychotics based on their adverse effect profiles
5. Develop a treatment algorithm for the management of common antipsychotic adverse effects and movement disorders

**Upon completion of this activity, pharmacy technicians will be able to:**

1. Identify most prominent causative agents of medication based movement disorders.
2. Review and recognize various adverse effects of antipsychotics
3. Differentiate between the unique characteristics of movement disorders
4. Recognize the common treatments for movement disorders
5. Apply knowledge learned to patient scenarios involving movement disorders and their corresponding referral/treatment considerations

**Date/Time:** Wednesday, April 27, 2022 from 7:00-8:00pm (Social/dinner starts at 6:30pm)

**Location:** Feik School of Pharmacy

**Room:** P3 Classroom (533)

**CPE Credit:** 1.0 contact hours (UANs: 0445-9999-22-009-L01-P; 0445-9999-22-009-L01-T)

**Activity Type:** Application-based activity

The University of the Incarnate Word Feik School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is designed for pharmacists and pharmacy technicians to gain knowledge related to antipsychotics. There are no fees for this application-based CPE program. The pharmacist or pharmacy technician will only receive credit for programs after receiving a 70% on a post-test and an activity evaluation form is completed and submitted through FSOP's Learning Express CE website (<https://uiwfsop.learningexpressce.com/>). For detailed instructions on how to use the site, see the link at <https://pharmacy.uiw.edu/subsite/pharmacy/continuing-pharmacy-education/index.html>. Participants will have six weeks to complete the post-test and evaluation form. The deadline to submit the post-test and evaluation form to obtain CE credit is June 10, 2022.
